Dear Alton,

Thank you for making the HelmsBriscoe Winter Meeting a huge success. Because you and your staff went the extra mile we created a memorable event that will be shared with their clients. I have received several e-mails and telephone calls from the participants telling me how pleased they were with our hospitality and excited they were with our convention center and hotel properties. If it's possible to do so, we went beyond WOWing them.

There is no question that we will be considered the bench mark for all future HB Midwest Division meetings. The benefits we receive for our effort will be well worth it.

Thanks again for going the extra mile!

Warm Regards,

Mindy Lallier
