Dear Alton,

The transportation support you provided for our "Kansas City Sparkles" public service clean-up campaign was greatly appreciated by all of our volunteers. Without this generous support the movement of volunteers to the clean-up locations would have presented a difficult logistical challenge.

Your driver, Mr. Karl Van Waters, was very helpful throughout the afternoon. He not only watched over our work crews on the roads leading into the Kemper Arena, but he also pitched in and helped us double-bag the trash at the end of the clean-up. Please extend to him the gratitude of the volunteers and my personal thanks for a job well done.

I have your logo and I will include it with the Sparkles article in the next newsletter.

Sincerely yours,
